

LaserBlack® LB-3390 Laser Printer

LB-3390 OVERSIZE OUTPUT

- 330 x 900mm Output
- 600 x 600dpi Resolution
- PostScript Level 2 Compatible
- Ethernet, LocalTalk, Parallel, SCSI
- AccuGray™ for accurate halftones

PRINTER TECHNICAL SPECIFICATIONS

OVERVIEW

At 20 pages per minute and 600dpi resolution, the LB-3390 Printer is the premier choice for businesses who want sharpness, speed and the economy of multiple originals without running to the copier. In addition to the standard output sizes of A4, letter, tabloid, A3, legal, and envelope, the LB-3390 has the capacity to run poster size output, with a maximum sheet size of 330 x 900mm (13 x 35.5") printing to paper or transparent films. The LB-3390 offers true multi-platform printing with PostScript® and PCL languages built in the printer can handle jobs from Macintosh®, Windows®, UNIX and DOS platforms, while its built in networking capabilities mean it's ready to plug into any network right out of the box.

Designed to last for well over a half million pages of output, the LB-3390 printer combines speed, reliability and flexibility.

KEY FEATURES

- 600 x 600dpi resolution
- 20 pages per minute
- Printing oversized sheets up to 330 x 900mm (13 x 35.5")
- Letter, A4, A3, tabloid, legal, envelope, poster size
- Paper and laser compatible transparent film, envelopes, labels
- 500 sheet universal tray
- PostScript® level 2 compatible, PCL 5
- 35 PostScript fonts, 15 PCL fonts, 250 downloadable fonts
- 16MB RAM expandable to 64MB

OTHER BENEFITS

- WebAdmin™ provides remote access, via standard web browsers, to printer interface settings, network protocol parameters, printer status, paper handling capabilities and nearly every other aspect of the printer from your computer.
- AccuGray™ Enhancement results in halftones that are printed consistently regardless of line frequency or resolution.
- Automatic Emulation Sensing automatically differentiates and switches between PostScriptR and PCL 5.
- All Ports Active Design permits printing through all connection concurrently.
- SCSI Port allows for the connection of an external hard drive to expand your font library.

- CONNECTIVITY
- EtherTalkR, LocalTalkR, TCP/IP
 - Ethernet (10 BaseT, AAUI), Bi-directional Parallel, SCSI
- OPTIONAL EXTRAS
- Second paper feeder (includes 500 sheet universal tray)
 - Third paper feeder (includes 500 sheet universal tray)
 - 500 sheet universal tray
 - 75 sheet envelope tray
 - Extra memory
- TECHNICAL
- Print method: dry-type electrographic printing
 - Engine speed: 20 ppm (letter size, long edge feed)
 - Resolution: 300 / 400 / 600dpi (software selectable)
 - Printer languages: PostScript® Level 2, Mac® OS, PCL 5, Windows® 3.1 / 95 / 98 / NT , HP-GL /2, UNIX
 - Fonts included: 285 PostScriptR fonts (35 built-in), 15 PCL fonts
 - Standard paper tray capacity: 500 sheet universal tray (A4, A3, letter, tabloid, legal), multipurpose tray for 150 sheets or 10 envelopes
 - Optional paper tray capacity: second paper feeder (includes 500 sheet universal tray), third paper feeder (includes 500 sheet universal tray), 500 sheet universal tray, 75 sheet envelope tray
 - Paper types: cut sheets (16-28lbs. universal tray, 16-36 lbs multi-purpose tray), labels, envelopes, overhead transparency film, postcards
 - Printable area: 320 x 892mm (12.6 x 35.1"), edge-to-edge printing
 - Toner: single piece cartridge; 14,000 letter pages at 5% black
 - Memory: 16MB of RAM, expandable to 64MB
 - Controller: AMD 29040 processor @ 50MHz
 - Power: 100 / 115 VAC, 50 / 60 Hz, 6.3A
220 / 240 VAC, 50 / 60 Hz, 3.2A
 - Engine life: 600,000 letter pages / 5 years (typical use)
 - Dimensions: 580W x 423D x 413H mm
 - Weight: 34.5Kg (unpacked, including universal tray and toner)
 - Noise level: 50.5dB max. (operational), 35dB max (stand-by)
- (Specifications subject to change)
